

REPUBLICAN PRINCIPLES

I BELIEVE the strength of our nation lies with the individual and that each person's dignity, freedom, ability and responsibility must be honored.

I BELIEVE in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.

I BELIEVE free enterprise and encouraging individual initiative have brought this nation opportunity, economic growth and prosperity.

I BELIEVE government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

I BELIEVE the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.

I BELIEVE the most effective, responsible and responsive government is government closest to the people.

I BELIEVE Americans must retain the principles that have made us strong while developing new and innovative ideas to meet the challenges of changing times.

I BELIEVE Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.

FINALLY, I believe the Republican Party is the best vehicle for translating these ideals into positive and successful principles of government.

The Colorado Federation is a charter state of NFRW. Members actively work to educate voters by printing and distributing educational information. The members helped elect the first Republican governor in 24 years and hosted the 1981 NFRW convention. They regularly host candidate forums and help with Lincoln Day Dinners, work for Republican campaigns, volunteer at state and local headquarters, and organize get out the vote efforts. The various clubs provide needed community service, such as assisting women back to the workplace with donated clothing and accessories, helping with health fairs, providing scholarships and mentoring young people.
